A Capital Idea

Put your hands and hooks to work to help save the lives of babies in developing countries around the world.

By Daryl Brower

Can crochet save a life? For babies born in poor countries, the answer is yes. Each year four million newborns in the developing world die within the first month of life—half of them within the first twenty-four hours of being born. According to the charity group Save the Children, simple, low-cost measures, like putting a cap on a newborn's head to help keep it warm, can help *save many of those lives*.

When Save the Children released its *State of the World's Mothers 2006* report, detailing simple ways to help increase survival rates for children in developing countries (including providing crochet and knit caps to keep tiny heads warm), the organization was flooded with calls and e-mails from stitchers eager to contribute to the cause.

In response, Save the Children has partnered with the Warm Up America! Foundation to launch Knitters and Crocheters for Newborns: Caps to the Capital. The volunteer initiative aims to raise awareness about the need to help babies in developing countries and increase funding for critical health measures for mothers and children.

You can lend your hands—and your voice—to the effort by crocheting a newborn hat like those shown at right (the pattern is below), writing a personal note to President Bush urging him to put more money toward health programs for mothers, babies and children in need and encouraging other crafters to join the effort.

Send your handmade caps to Save the Children by January 2, 2007, and the group will take the hats, along with the personal notes, to Washington, D.C., to show our leaders that Americans want to do more to save newborn lives globally. Afterwards, the caps will be delivered to babies in need in those developing countries served by Save the Children.

For more information, you can call 1-800-728-3843, or visit savethechildren.org and download the Caps to the Capital Action Kit. The kit includes step-by-step instructions for participating, including a printable tag to attach to your cap, a sample note to the President and a flyer to post at your favorite yarn shop or community bulletin board. It's a small way to make a big difference.

afghan makeover

A dainty bedspread from the Thirties takes on new life as a graphic, mod throw with just a quick yarn update and color change.

In 1939, \$750 could buy a brand new car, a loaf of bread was a mere 8 cents, and three pennies could mail a letter from coast to coast. Americans sat on the edge of their seats during the blockbusters *Gone With the Wind* and *The Wizard of Oz*, likely snacking on nickel Hershey bars. And, lots of women were busy crocheting. With the Great Depression just drawing to a close and little disposable income on hand for most families, needlework was a popular way for women to beautify their homes. The decorating style of the day, Art Deco, emphasized crisp lines, geometric shapes, and high-contrast colorways—characteristics echoed in this simple yet striking afghan from that era (left). Proving that good design never goes out of style, a fresh color change makes this crochet creation perfectly contemporary.—*Mary Beth Temple*

PATTERN STITCH

Row 1 (right side) Dc in 4th ch from hook (counts as first 2 dc) and in each ch across—17 dc. Turn.

Row 2 Ch 2 (count as first dc), dc in next st, dc in each st across. Turn.

Repeat row 2 for pat st.

note

Use Basic Scarf pattern for all scarves shown. Specific instructions and variations for each style are given below.

BASIC SCARF

With yarn of choice, ch 19 (base ch made).

Row 1 (right side) Dc in 4th ch from hook (counts as first 2 dc) and in each ch across—17 dc. Turn.

Row 2 Ch 2 (counts as first dc), dc in next and each st across. Turn.

Repeat row 2 until piece measures desired length. Fasten off. Weave in loose ends.

TEEN SCARF

With A and size K/10 1/2 (6.5mm) hook, work as for Basic Scarf, repeating row 2 until piece measures approx 60'/150cm from beginning.

Abbreviations used in this pattern

dc	double crochet
lp(s)	loop(s)
pat	pattern
sk	skip
st(s)	stitch(es)
tog	together

fringe

Cut 45 lengths of B, each 12"/30.5cm long. Holding 3 strands tog, fold in half. With right side facing, insert hook in st at bottom right corner of scarf, pull up at top of fold through stitch, draw loose ends through loop, and tighten. Attach 15 sets of fringe, evenly spaced, at both ends of scarf.

KID'S SCARF

With C and size I/9 (5.5mm) hook, work as for Basic Scarf until piece measures approx 40'/102cm from beginning. Fasten off. Make 9 sets of fringe with D as described in Teen Scarf, cutting each length to 16"/40.5cm.

HIS SCARF

With size K/10 1/2 (6.5mm) hook, work as for Basic Scarf, working in color sequence as follows: 6 rows D, 6 rows E, 6 rows F, 24 rows G, 6 rows F, 6 rows D, 6 rows E. Fasten off after each color change. Weave in ends.

HER SCARF

With H and size J/10 (6mm) hook, work as for Basic Scarf until piece measures 55'/140cm from beginning, ending with wrong side row. Fasten off.

trim

Working with 2 strands of I held tog and right side facing, join I and work 4 more rows in pat st. Fasten off. Turn scarf to work on opposite end. Join 2 strands of I at corner of scarf, working into base chain. Work 4 rows in pat st. Fasten off. Weave in ends.

notes

1 Purse is made in one piece, beginning at front opening edge and working to front flap.

2 Purse is embellished using a beading technique in which beads are added onto single crochet stitches at any time without pre-stringing the beads. To keep all the beads on the same side (public side) of the work, a different technique is used for right side and wrong side rows. Front beads are held in place by the front two vertical strands of a single crochet. Back beads are held in place by vertical strands behind single crochets. See next page for photo illustration of this technique.

ADDING THE BEADS

Here's how to incorporate beads into
your stitches without pre-stringing.

a Insert hook, yarn over, and bring up a loop.

b Place one bead onto the shaft of a steel
crochet hook and transfer the loop from your
working crochet hook to the steel hook. (One
loop remains on working hook).

c Slide the bead over the tip of the steel hook
and onto the loop. The bead will be sitting at
the base of the loop, with the top of the loop
extending through the hole of the bead.

d Remove the steel hook and insert your work-
ing hook into the loop above the bead.

e Yarn over and complete the single crochet
stitch as usual. The bead will be secured into
the front of the stitch.

beaded ornaments

tip

Have a ball being creative with these ornaments—leave them plain, or sew on as many beads as you like. Each will be a unique gem to be treasured for years to come.

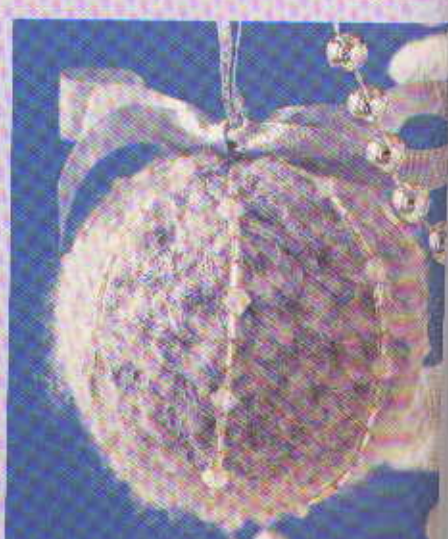

COVERING THE BALL

The secret to these ornaments is a Styrofoam ball hidden inside. Here's how to crochet over the ball—it's easy, and all you need to know is simple single crochet.

a Rounds 1–8: work according to the pattern, which will result in a cup shape.

b Insert Styrofoam ball after completing Round 9 of pattern. Continue to crochet around and over ball, taking care to make stitches snug to keep gauge consistent.

c As you continue to decrease, work toward the top of the ball, covering it completely.

beaded wrap

This cover-up is all about details, from the elegant, lacy stitch pattern to the understated beadwork. It's the perfect accessory to a simple holiday dress.

how to make a gauge swatch

Ch 11 loosely, work Rows 1 through 8 of Wrap instructions (below). Resulting gauge swatch should be approx 4"/10 cm wide and 5"/14 cm long.

note

Beads are applied to the wrap by stringing them onto the ball of yarn before beginning to crochet. Use a flexible beading needle to string beads onto yarn. As work proceeds, push beads further along yarn, bringing up a bead and incorporating it in a stitch when instructed. Just before all the yarn on the first ball is used, string any remaining beads onto the next ball of yarn.

ADDING THE BEADS

Incorporating beads into the stitches of this wrap is easy. Here's how:

- a** When you reach a stitch that is to be beaded, move one bead up the yarn till it is close to your work.
- b** Keeping bead in front, yarn over, insert hook and pull up a loop.
- c** Complete stitch as usual. Bead will be secured within the post of the stitch.

This area should measure 4 1/2" x 4 1/2" (11.5cm x 11.5cm). Adjust hook size if necessary to obtain correct gauge.

notes

1 Row gauge will be affected because the yarn will stretch when the garment is handled and worn.

2 Because of the stretch of the fabric, the armholes will be approx 1 1/2" (2.5cm) longer when garment is worn.

3 Stretching will also create more ease in the width.

round. Instead, form a ring by bringing the other end of the waistband around and working a slip stitch in top of the beginning chain-3.

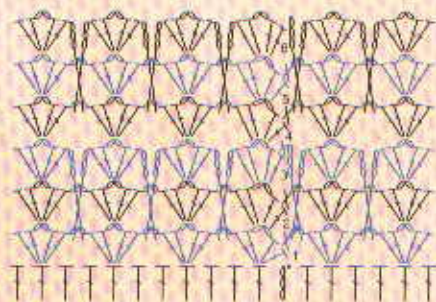

SKIRT

Now the scalloped skirt body is worked. The scallops are made up of three rounds of stacked shells that are laced together with chain stitches in the third round of the sequence. Each shell is made by working 2 double crochet, chain 2 and 2 more double crochet in the same stitch or space.

Round 1 Skip first stitch in previous round, *(2 double crochet, chain 2, 2 double crochet) in next double crochet, chain 2, skip next 2 double crochet; repeat from * 26 (28, 30, 33, 36) more times, then work (2 double crochet, chain 2, 2 double crochet) in last double crochet, chain 2, and single crochet in first double crochet of this round to join — you should have 28 (30, 32, 35, 38) shells.

Round 2 Skip next double crochet in previous round, (2 double crochet, chain 2, 2 double crochet) in chain-2 space of first shell of previous round, *chain 2, (2 double crochet, chain 2, 2 double crochet) in chain-2 space of next shell; repeat from * 26 (28, 30, 33, 36) more times, then chain 2, and single crochet in first double crochet of this round to join — you should have 28 (30, 32, 35, 38) shells.

Round 3 Skip next double crochet in previous round, (2 double crochet, chain 2, 2 double crochet) in chain-2 space of first shell of previous round, *chain 3, single crochet in chain-2 space between 2 shells two rounds below, chain 3, (2 double crochet, chain 2, 2 double crochet) in chain-2 space of next shell; repeat from * 26 (28, 30, 33, 36) more times, then

chain 3, single crochet in last chain-2 space two rounds below, chain 3, and single crochet in first double crochet of this round to join.

Rounds 4 and 5 Repeat Round 2 twice.

Round 6 Repeat Round 3.

The piece should measure approx 8"/20cm from top edge and have two sets of three stacked shells that are laced together by chains.

Change to middle-sized hook.

Rounds 7–30 Repeat Rounds 4–6 eight times.

The piece should measure approx 20"/51cm from top edge.

Change to largest hook.

Repeat Rounds 4–6 until piece measures 30 1/2 (30, 33, 36, 39)/77.5 (77.5, 85, 85, 92.5)cm or desired length. Be sure to complete all rounds of the last repetition of Rounds 4–6. Work the last Round 6 very loosely.

WAISTBAND EDGING

With smallest hook, join yarn by making a slip stitch in bottom of waistband opening on left edge. Stitches in Row 1 are worked in the spaces beneath the chain-3 turning chains at the beginning of a waistband row or beneath the last double crochet at the end of a waistband row.

Row 1 Chain 2 (counts as first half double crochet), half double crochet in first space, *half double crochet in next space, 2 half double crochet in next space; repeat from * to the top of the waistband, and working one half double crochet in the last space at the top — you should have worked 15 half double crochet (counting the beginning chain-2 as one half double crochet).

Row 2 Chain 2 (counts as first half double crochet), turn, skip first half double crochet of previous row, half double crochet in each half double crochet across row, and then half double crochet in the top of the beginning chain-2 of the previous row — you should have 15 half double crochet (counting the

beginning chain-2 as one half double crochet).

In the next row, chain-3 spaces are worked between half double crochet to create buttonholes.

Row 3 Chain 2 (counts as first half double crochet), turn, *(half double crochet, chain 3, half double crochet) in next half double crochet, half double crochet in each of next 2 half double crochet; repeat from * 3 more times, then (half double crochet, chain 3, half double crochet) in last half double crochet and leave the beginning chain-2 of the previous round unworked.

Fasten off.

With smallest hook, join yarn by making a slip stitch in top of waistband opening on right edge. Stitches in Row 1 are worked in the spaces beneath the chain-3 turning chains at the beginning of a waistband row or beneath the last double crochet at the end of a waistband row.

Row 1 Chain 2 (counts as first half double crochet), half double crochet in first space, *(half double crochet in next space, 2 half double crochet in next space; repeat from * to the top of the waistband, and working two half double crochet in the last space at the top – you should have worked 16 half double crochet (counting the beginning chain-2 as one half double crochet).

Fasten off.

finishing

Sew 5 buttons on the right edge of the waistband opening. Space them to match the buttonholes on the other edge. There should be some overlap of left side edging on to right side of waistband.

Weave in ends. ■

WORKING THE SHELL PATTERN

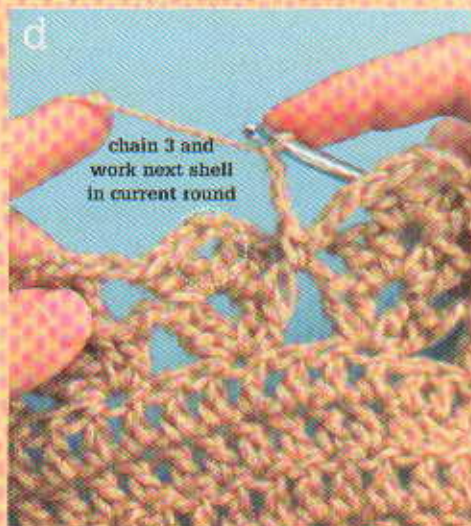

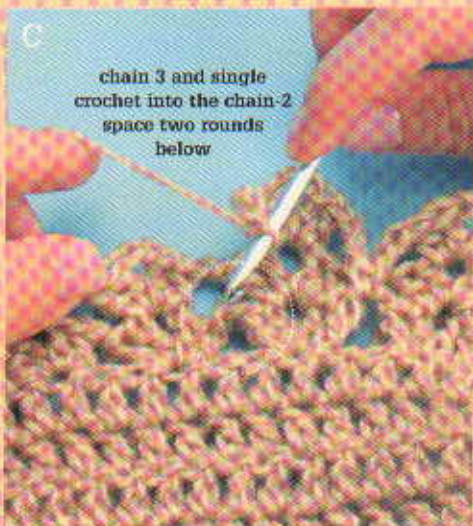

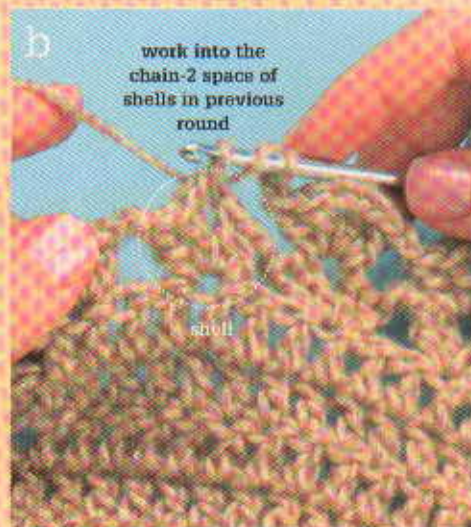

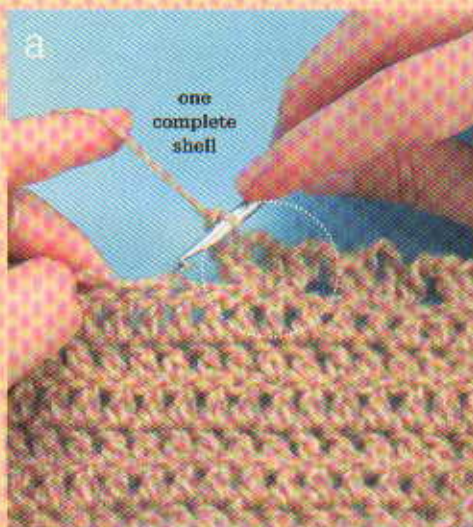

Don't be intimidated by this sophisticated-looking stitch pattern. Here's how to do it, step by step.

a Round 1: working first row of shells onto the waistband.

b Round 2: working shells in the chain-2 space of previous round

c Round 3: between each shell, chain 3, single crochet in chain-2 space shells two rounds below.

d After making a single crochet between shells two rounds below, chain 3 again.

MAKING POM-POMS

Crafting perfect poms is easy once you know how!

- Cut two cardboard discs about 3" (7.5cm) in diameter. In the centers, make a hole about 1" (2.5cm) wide. Place discs together. (Alternately, use a purchased pom-pom maker). Wrap yarn around the discs (through the center and around the outside) until the center hole is completely filled.
- Using small, sharp scissors, cut through the yarn around the outside edges of the discs.
- Ease discs apart slightly, and wrap the Tie ends (see above) between the two discs and around the yarn strands twice. Wrap tightly and secure with a firm knot. Remove the discs.
- Fluff out the pom-pom and trim with scissors if desired.

finishing (skirt)

Weave in all ends.

ATTACHING THE SKIRT

Sewing a fabric skirt for this dress takes just basic hand-stitching skills. Here's how to attach the skirt to the crochet bodice.

a After hemming and gathering the top edge of the skirt, pin it in place to the inside of the bodice. (Turn bodice and skirt inside out while sewing.)

b With a needle and thread, stitch the top edge of the skirt to the crochet bodice. Make "invisible" stitches by inserting the needle into strands of yarn on the inside of bodice—do not stitch all the way through to the outside of bodice.

Kids can be rough on their clothes, so be sure to sew skirt to bodice securely. Make two rows of stitches for extra strength.

skirt

With right sides of velvet fabric together and a $\frac{1}{2}$ "/1.25cm seam allowance, sew side seams. Hem top of skirt with $\frac{1}{2}$ "/1.25cm seam allowance. Baste along hemline and gather, adjusting gather to fit bodice. Pin skirt to inside of bodice, with garment inside-out. Hand-sew top of skirt to lower edge of bodice, on wrong side of bodice, just above scalloped bodice edging. Hem skirt bottom to length. Press all seams with an iron after stitching.

ribbon

Weave ribbon through ch-1 sps at ends of sleeves and bottom of bodice, and tie bows. ■

finishing

Fold slipper in half lengthwise. Beginning at the toe, sew the side edges together leaving 8 (10, 11) rows open for the ankle. Sew the heel seam closed. Weave in all ends.

POM-POM (make 2)

If using a pom-pom maker, follow the package directions to make two pom-poms with B.

To make a pom-pom using cardboard, cut two 3" cardboard circles. Cut a 1" hole in the center of each. Stack them on top of each other, and wrap B repeatedly through center and around outside of circles. More wraps will make a fluffier pom-pom. Cut through yarn around outside edges and ease cardboard circles slightly apart. Tie an 8" piece of B tightly between cardboard circles, then remove circles. Use the ends of the knotted strand to sew pom-pom to slipper. (See sidebar on page 38 for more information about making pom-poms.)

Sew one pom-pom to top center of each slipper toe.

Crochet edging is added to fleece by first making a round of blanket sts on all four sides of fleece. Crochet edging is added to this by working a sc into each blanket st.

BLANKET STITCH

Using a yarn needle and single strand of A, work blanket sts as described below, evenly spaced every ⅝"/1cm around fleece edges and working 1 st at each corner—460 sts (115 each side, including a corner st).

left to right, insert needle through fleece and pull yarn through fleece from front to back about ¼"/6mm below edge. Begin to pull yarn snug, which will create a yarn lp over the edge of the fleece. Draw the needle from back to front through the lp and tug on yarn until lp is snug against edge without puckering fabric. Continue making additional sts in the same manner, approx ⅝"/1cm apart, working the entire way around the blanket until you reach the point where you began.

tip

Make an adult version of this blanket by using a larger piece of fleece and a grown-up color palette. You can add any number of stitches for the crochet trim—just be sure to have an even number of stitches in the blanket stitch round and in Round 2.

ruffled fleece blanket

Working with a fluffy novelty yarn can be tricky for beginners since the stitches are sometimes difficult to see.

However, this yarn also hides mistakes. So if you can't find the exact place to insert your hook to make the next stitch, fudge it. In this pattern, it won't be a problem!

EDGING

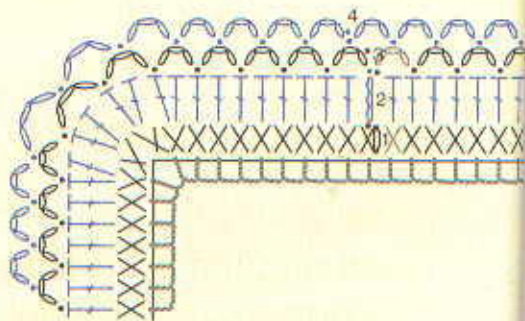

With right side facing and size K/10½ (6.5mm) crochet hook, join B with sl st in top of any blanket st except corner.

ADDING THE TRIM

Here's how to build crochet stitches onto fleece fabric.

- a** Using a sharp needle and yarn, make a row of blanket stitches all the way around the fleece.
- b** Work a round of single crochet stitches by inserting the hook under each blanket stitch.
- c** Here's what Round 1 will look like in progress. Continue to work additional rounds as you normally would.

assemble snowmen

If using brads for eyes or buttons, add these decorations now as explained in next section. Stuff each snowball with fiberfill. Thread tapestry needle with yarn tail. Weave in and out top of each st on last round. Pull gently to tighten. Do not fully close snowball. Repeat for second snowball. Whipstitch tightened last round of two snowballs together using tail from one snowball. Fasten off. Weave in ends.

decorate snowmen (as desired)

buttons

Insert brads into body and spread prongs of brads on inside of body to secure.

eyes

Insert brads into head and spread prongs of brads on inside of head to secure.

carrot nose

With 12"/30.5cm length of orange yarn and tapestry needle, insert yarn from front to back to front around desired st on head below eyes. Tie 3 knots with both ends of yarn. Weave ends back through knots and into head. Trim off excess yarn.

coal smile

Thread 4–5 beads onto 12"/30.5cm of white thread. With sewing needle, sew string of beads to head as follows: Insert needle through sts of snowman's head, then through a bead to anchor bead to head. Repeat with each bead, shaping smile as you go. Insert needle in snowman's head again to anchor last bead to head. Fasten off. Weave in ends.

scarf

short scarf (for small snowman)

With B, C, D, or E, ch 30. Fasten off. Weave in ends.

long scarf (for large snowman)

With B, C, D, or E, ch 40. Fasten off. Weave in ends.

Tie scarf around snowman's neck.

finishing

Arrange snowmen on wreath using photograph as guide, or as desired. Using A and yarn needle, thread yarn through base of snowmen and tie yarn to wreath to secure. Thread A through heads to secure and tie. Weave in ends. Remove 2 small pieces of grapevine from wreath and insert on left and right side of grouped snowmen for arms. Decorate wreath as desired. ■

tip

You can make holiday ornaments from this pattern, too. Instead of attaching snowmen to a wreath, fasten ribbon to their heads and hang them on the tree.

Row 8 Follow pat row 3, working 10 scs in the dcs, and ch-6s in between. Fasten off.

FINISHING

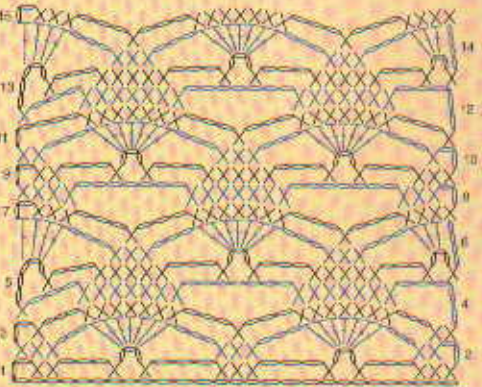

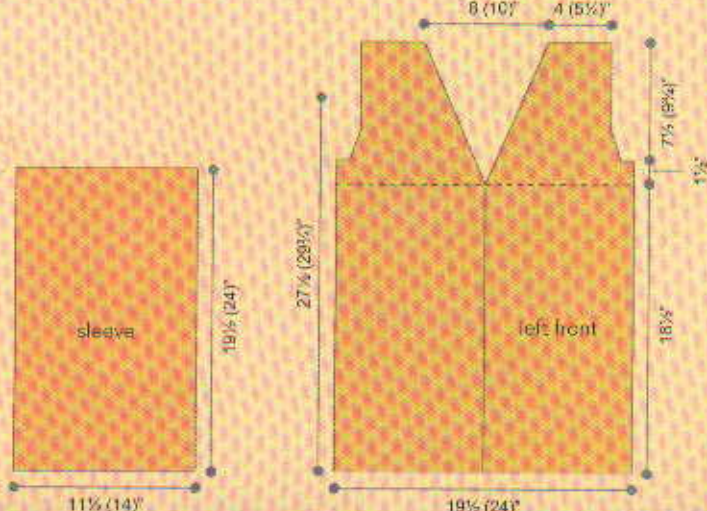

With right sides together, sew shoulder seams. Sew sleeves on, then sew the side seams of body and underarm seams of sleeves.

EDGING

On the right side, join yarn at any corner. Work (sc, ch 3) evenly spaced around the bottom, front and back, so that the edging lies flat. Fasten off. Weave in all ends.

RIBBON

Fold ribbon in half lengthwise, to make it easier to weave through the stitches on the RIBBON ROW. Leaving approx 20" at the end, weave the ribbon under the side edge, (over 3 dcs, and under 1 dc), repeating to the opposite edge. If you wish, you may baste the ribbon at the side edges to hold in place. ■
